Dear Sir or Madam:

The University of Baltimore School of Law Commencement will be celebrated on May 15, 2024. It is a significant and festive occasion, and The University of Baltimore students are encouraged to invite their family members and friends.

a University of Baltimore School of Law student who is graduating this semester would like to invite their guests to Commencement. Their guests will need visitors' visas to travel to the United States. We would appreciate any consideration that may be given to their applications to allow them to travel to Baltimore, Maryland for this ceremony.

Sincerely,

Rhonda Stokes
