SUMMARY OF RESEARCH & SCHOLARLY AGENDA

My current scholarship explores the interaction between U.S. procedural law and the behavior of institutions in the national security realm. This work builds on my earlier scholarship examining the limits of federal power in foreign affairs, and is inspired by my experience representing Guantánamo detainees and advising commercial clients in domestic responses to foreign litigation.

ADDITIONAL TRAINING

18th Annual National Security Law Institute for Professors and Government Practitioners, Center for National Security Law at the University of Virginia School of Law (2010)
